

ATOMI

Lapin AMK 16.12.2019

Atomi can be found from Peppi's front page.

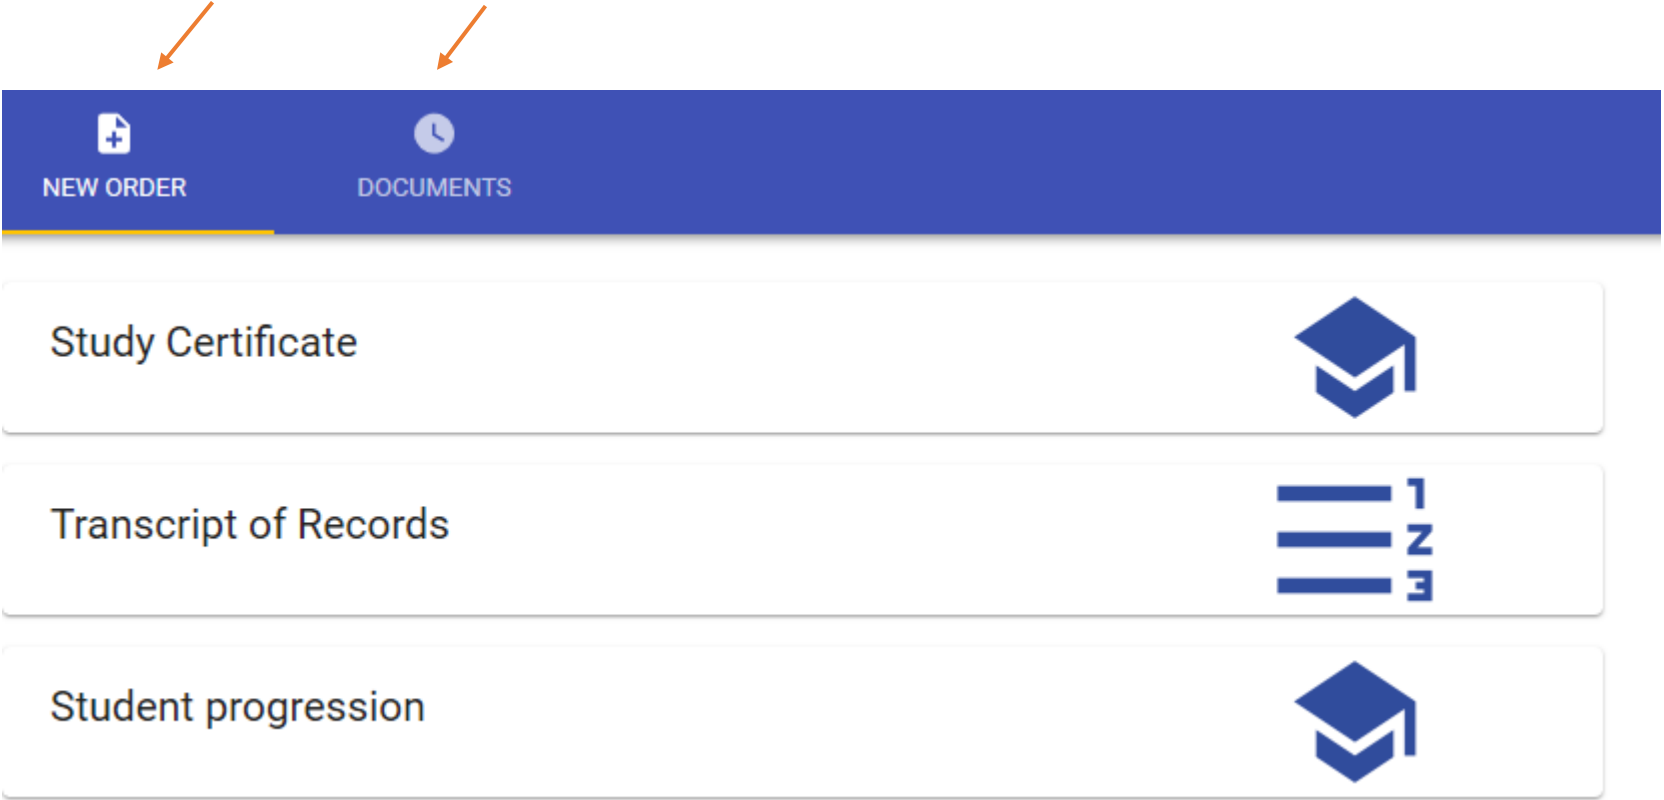

The screenshot shows a user interface with a navigation bar at the top. The navigation bar includes a graduation cap icon, a home icon, and several menu items: HOME PAGE, MY STUDIES, CALENDAR, STUDY GUIDE, and ORDERS. An orange arrow points from the text above to the 'ORDERS' menu item.

Below the navigation bar, there are two main sections:

- Favourites and Links**: This section contains two entries, each with a link icon and the text 'Favorites':
 - Kemin kaupunki
 - Lapin amk
- Tavoiteseuranta**: This section features a legend with 'Accomplishments' (blue square) and 'Enrollments' (blue square). Below the legend is a table with a vertical axis of numbers from 150 to 260 in increments of 10. The table has two columns for data entry.

On the front page, you can see all the documents you can order.

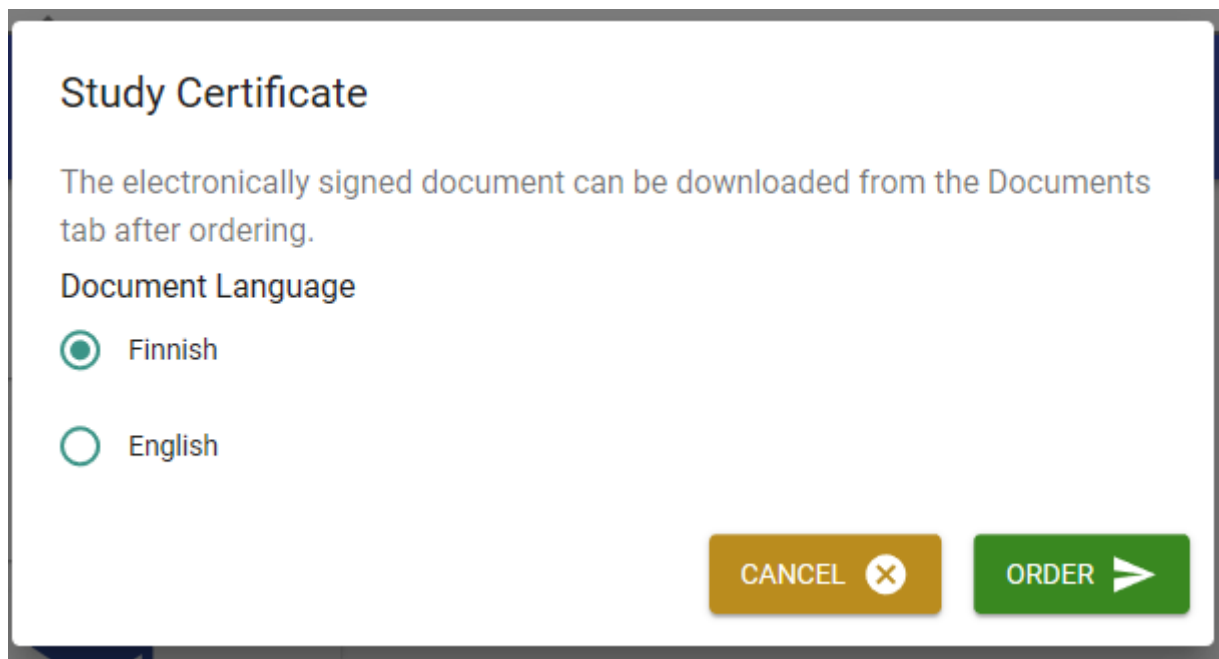

Start ordering the document by selecting "New order". Then choose the document.

Choose the language and click Order.

Atomi creates the document with an electric signature and announces if the order of the document was successful.

The document can be found under the Documents tab.

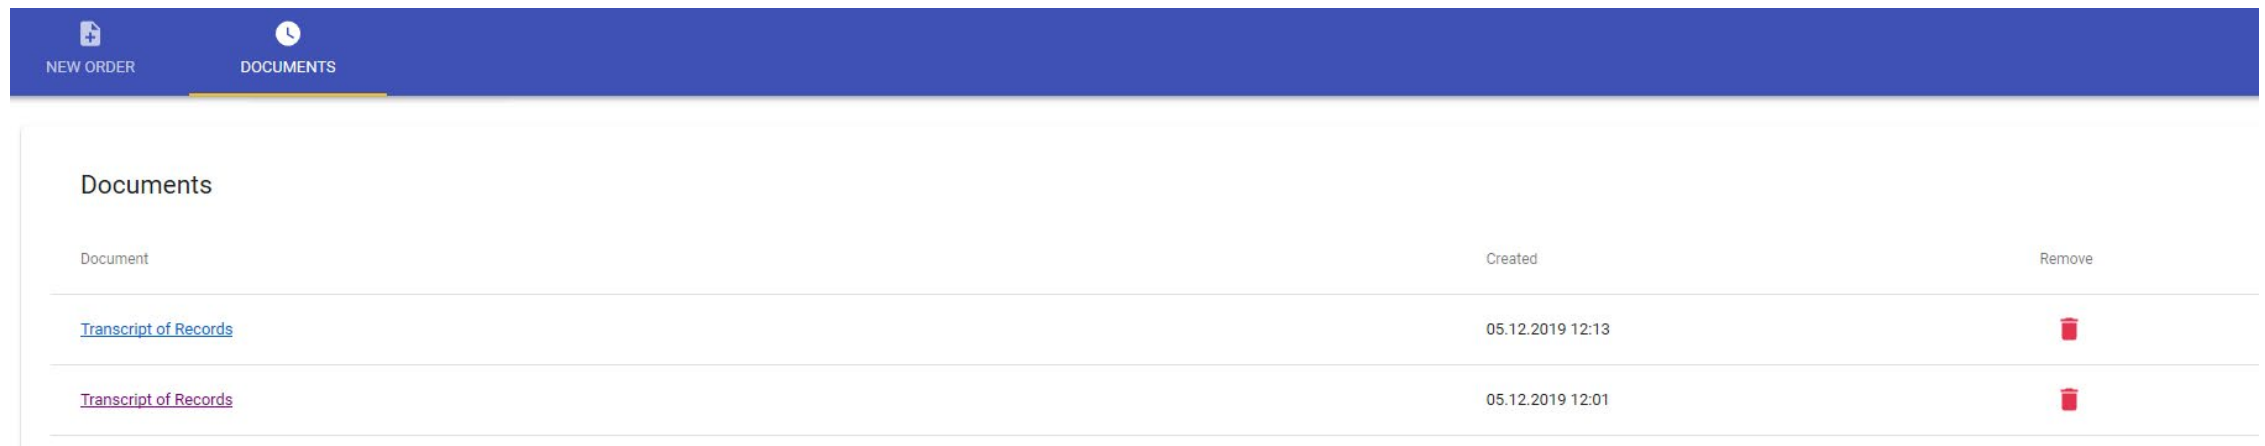

The screenshot shows a web form titled "Study Certificate". Below the title is a message: "The electronically signed document can be downloaded from the Documents tab after ordering." Underneath this is the section "Document Language" with two radio button options: "Finnish" (which is selected) and "English". At the bottom right of the form are two buttons: a brown "CANCEL" button with a white 'x' icon, and a green "ORDER" button with a white right-pointing arrow icon.

The most recent document you have ordered will be first on the list. To open/download, press the name of the document.

The document will open A. in browser or B. it will go to the browser's download folder or C. it will be opened by the default program.

Save the document if needed.

The screenshot shows a web application interface with a blue header bar. On the left, there are two menu items: 'NEW ORDER' with a document icon and 'DOCUMENTS' with a clock icon. The 'DOCUMENTS' section is active. Below the header, there is a table with the following columns: 'Document', 'Created', and 'Remove'. The table contains two entries, both titled 'Transcript of Records'.

Electronic signature

- The document is electronically signed. The signature is accompanied with instructions how to verify the authenticity.

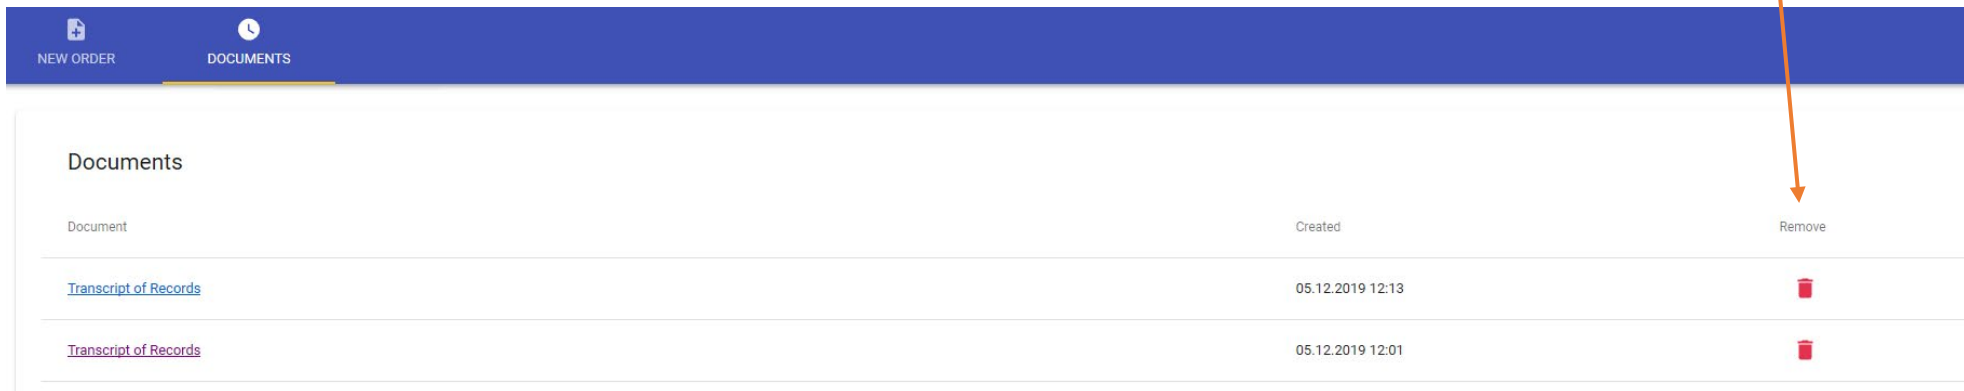

Electronic signature

This document is electronically signed 12.12.2019 08:29 using the certificate of the Population Register Center. More exact instructions from the verifying of the authenticity of a document are in the following on the WWW address: <https://www.lapinamk.fi/fi/varmennus>.

The number of documents is limited. If the maximum amount is reached, you have to delete the old documents before ordering a new one.

If needed, you can download the documents before deleting them.

Please note, authenticity of the documents can only be verified by Lapland UAS if the document hasn't been deleted from Atomi.
