Groups

1. Select Group search

2. Add Group code as search term

3. Select search

The screenshot shows a dark blue header with 'Calendar' and 'Index' icons on the left, and 'EN' and 'Login' on the right. Below the header is a search bar with three tabs: 'Realization search', 'Group search' (which is highlighted in purple and has a checkmark), and 'Location search'. A text input field contains 'R31D19S' and a purple 'Search' button is to its right.

4. Search results are shown below

6. When you have selected groups you want to view, hide search results.

The screenshot shows the same search interface as above, but now with search results. Below the search bar, there is a section titled 'Search results (1)'. It contains a table with the following data:

ID	Name	Number of reservations
R31D19S	International Business (day time learning) Rovaniemi autumn 2019	136 kpl

To the right of the table, there is a 'Hide search results' button with an upward arrow icon. Below the table, there is a '+ Add' button.

5. Select Add. To view two or more timetables at the same time, select another group and add it on the list.

Locations

1. Select Location search

2. Add either the name of the campus or the room. If you use the campus name, you will get a list of rooms available. You can select right one from the list.

4. The list is shown below

The screenshot shows the top navigation bar with 'Calendar' and 'Index' icons, and 'EN' and 'Login' links. Below the navigation bar are three tabs: 'Realization search', 'Group search', and 'Location search' (which is selected and highlighted in purple). A search input field contains the placeholder text 'Please, give a search term' and a purple 'Search' button is located to the right of the input field.

3. Select Search

The screenshot shows the search results page. The top navigation bar is identical to the previous screenshot. The search input field now contains the text 'Borealis Auditorio'. Below the input field, the text 'Search results (1)' is displayed. A table with three columns: 'Name', 'Facility', and 'Address' is shown. The table contains one row with the following data: 'Borealis Auditorio, # 230, Rantavitikka, Jokiväylä 11, Rovaniemi', 'Borealis Auditorio', and 'Rantavitikka'. To the right of the table, there is a 'Hide search results' button and an '+ Add' button.

Name	Facility	Address

Realization search

Realization search

- You can search timetables based on realizations.
- Realization search is possible in 3 different ways
 - By name or ID
 - By teachers name
 - By group id

Realizations by name or ID

2. Select Name of ID

1. Select Realization search

3. Add realization name or ID as search term

4. Select Search

7. Hide Search results

5. The list is shown below

6. Select Add. To view two or more timetables at the same time, select another realization name or ID and add it on the list.

The screenshot shows a web application interface for searching course realizations. It consists of two identical panels. The top panel shows the search interface with the 'Realization search' tab selected. The search term 'Business' is entered in the search box. The bottom panel shows the search results for 'Business', displaying a list of four course realizations. Each row in the list includes the course ID, title, instructor names, ECTS credits, start and end dates, and overlapping status. There are 'Info' and 'Add' buttons for each course realization.
